Education

CareerFoundry, April 2023
UI Design Certificate

Rowan University, 2013
BFA, Studio Art
Minor, Art History

UI Designer with a background in textile design and fine art. Skilled in artwork creation and technical ability.

Recent Projects

Caravan
March 2023
CareerFoundry UI Design Project

Designed iOS and Android versions of a native mobile app for planning group travel with multiple attendees. First iteration prototypes were created to reflect familiar UI patterns and elements based on their respective operating system. Project was created in Adobe XD.

Godoggo
Feb 2023
CareerFoundry UI Design Project

Designed a responsive web app that provides location-based recommendations for users searching for dog friendly places. Conducted UX research and designed responsive layouts for four breakpoints. Project was created in Figma.

Experience

Senior Associate Designer
July 2022 - Sept 2022
Bed Bath and Beyond, Union NJ

- Gathered inspiration and designed mood boards to establish visual direction of Fall 2023 Bee and Willow products
- Created original artwork for prints and embroideries and created factory ready files for hand-off
- Designed original products for categories including: top of bed, sheeting, and decorative accessories

Designer
Mar 2019 - July 2022
Boll and Branch, Summit NJ

- Designed original bedding products from inspiration, brainstorming, and trend research to hand-off of artwork spec files
- Created original artwork for printed sheeting and bedding categories
- Presented seasonal design concepts to product development and merchandising teams

Designer
July 2017 - Dec 2018
Andrews and Blaine, Parsippany NJ

- Worked cross-functionally with sales, product development, and production teams to develop products from concept to production
- Conceptualized and designed stationery, office, and home products for clients such as Anthropologie, Barnes and Noble, Cracker Barrel, Indigo, Paper Source, Papyrus, Belk, and Hobby Lobby
- Create tech packs and prepare factory ready files for hand-off
